

DRUMTRAX MIDI DRUM LIBRARY INSTALLATION

Extract Drumtrax.zip directly to C:\

- You should end up with a folder named C:\Drumtrax.
- Do **not** place it in Documents, Downloads, or another folder.

Open **C:\Drumtrax**.

Copy or drag these items to your Desktop:

- **READ ME** folder
- **Drumtrax Librarian** shortcut

Open the **READ ME** folder and then open **Drumtrax 3.0 manual.pdf**.

Return to the Desktop and open the **Drumtrax Librarian** shortcut.

Continue with any additional instructions in the READ ME documents.
